EDUCATION

The Khaitan School

CBSE XII 93.4%

Noida, Uttar Pradesh, India

2021

Manipal University

B.Tech. (Computer Science and Engineering) CGPA 9.22

Jaipur, Rajasthan, India

2025

TECHNICAL SKILLS

Programming Languages: Javascript, C, Python, Java, HTML5, CSS, SQL, PHP, ABAP

Libraries and Tools: XAMPP, React.js, Tailwind, Bootstrap, PyTorch, Sklearn, Pandas, Numpy, Git, AWS, Github, Canva, MySQL, Adobe Photoshop, Premiere Pro, SAP, data structures, algorithms

Soft Skills DSA, Time management, Team Leading, Public Speaking

WORK EXPERIENCE

Vice President

ANOVA, Tech Club, Manipal University

2023 - 2024

- Organized Cryptic Cartel and Deja Vu technical hunting events.
- Coordinated Tech Talk with Deloitte with over 150+ participants
- Served as Convenor for Research-a-thon, helped students explore research domain and explained how to write a research paper with 50% more efficiency

SDC Intern

Department of Computer Science, SOFTWARE DEVELOPMENT CENTRE, Manipal University

2024

- Developed a project allocation system for college portal for whole college having 20000+ students using (HTML, CSS, PHP, Js, MySQL)
- reduced the hassle of getting forms signed and automation of mentor allotment by 50%

ASE Intern

Accenture, Bangalore, India

May 2024 - July 2024

- Leveraged my understanding of SAP MM functionalities to develop a customized material categorization system, which improved data accessibility and facilitated streamlined inventory management processes.

PROJECTS

- Awaaz - Housing Allocation System for UP Police**, automated the housing allocation using backend algo and removed hassle form filling and paper works (HTML, CSS, PHP, Js, MySQL)
- Armoury Management UP Police**, Digitalizing and Streamlining Inventory Control, removed hassle of maintaining a daily diary record of inventory reduced their work by 50% (HTML, CSS, PHP, Js, MySQL)
- Inventory**, A site for Upcycling stuff for college. Senior students leaving hostel can donate or sell their stuff they don't use anymore for a low or minimal cost to juniors and also a leaderboard for top donors to encourage more students to donate. (HTML, CSS, PHP, Js, MySQL)
- IIM Lucknow Store Site**, developed a fully operational site with both frontend and backend for IIMLSTORE. People can buy their products here and admin can manage products, users and orders ([Project Demo](#))

CERTIFICATIONS

- AWS Academy Cloud Foundations - Amazon Web Services Training and Certification
- Design and analysis of Algorithms- NPTEL
- CCNA: Enterprise Networking, Security, and Automation by CISCO
- Oracle Cloud Infrastructure Foundations

ACHIEVEMENTS

- Received Dean's List of Excellence in Academics for being on the top performers in semester 3,4,5,6 consecutively
- Secured first place in the IEEE Coding Relay by developing and optimizing complex data structures and algorithms; outperformed 50+ participants and achieved a 15% faster completion time than the runner-up
- MUJ HackX: Stood 4th out of 180+ teams and over 1000 participants
